Mission Statement

The objective of the South Dakota High School Baseball League is to provide a quality baseball experience for eligible South Dakota students in the grades of seven through twelve. As a sponsor of non-sanctioned club high school baseball, the League will provide leadership to participants and coaches in the supervision and conduct of league play that will enrich the experiences of high school students. The League is committed to the ideals which provide equitable participation opportunities and positive recognition to students while working cooperatively with all respective schools in order to enhance the achievement of desired educational goals.

League Administration/Membership Fees

The South Dakota High School Baseball Association shall be the official administrative body for the South Dakota High School League. Teams interested in participating in the league will be required to submit a team registration fee. In order to vote at the Annual Meeting or be eligible for the board, registration fee must be received by December 1 each year.

2011 Registration/Fee /League Deadlines

Registration Deadline – December 1, 2010
Payment Deadline - January 1, 2011
Schedule To Office - March 15, 2011
Rosters To Office - March 25, 2011

League Membership Fee - \$200.00

Insurance Information

All participants must be insured in order to participate in the High School Baseball League. For insurance policy options, please contact the League Office.

Team Formation

Teams are to be formed based on existing High School District boundaries. Team officials are encouraged but not required to seek approval from respective school officials for official district recognition of their team. All players shall meet eligibility requirements as set forth by the SD High School Activities Association by-laws Chapter I, page 8, Part IV and Chapter II, page 10, Part I. Students qualifying under the “Alternative Instruction” section of SDHSAA are also eligible to play.

Team Cooping Policy

Class A Teams -450 ADM {Average Daily Membership} or above

A Class A school is prohibited from having student/athletes from a Class B school district(s) participate on its high school club baseball team if the Class B school is outside the established district boundaries of the Class A school. Coops will be allowed between public and private high schools that are within the established public school district boundaries. (Approved: 12/7/03)

Class B Teams -449 ADM or below

Class B schools are permitted to coop with other Class B schools in order to fill a team roster. Application for a coop between schools must be submitted with required registration materials. The following criteria will govern coop situations:

- It is required that all interested student/athletes be afforded an opportunity to try-out for the coop team from all school districts involved in the proposed coop.
- In all cooping arrangements, a school must coop to the nearest adjacent school district. In the event two school districts, each adjacent to third district desire to coop with such third district, the third district shall coop with the nearest school by mileage from front door to front door via most common state or federal highway. Crossing over a Class B school district that fields a team in order to coop with another Class B school is prohibited.
- In a coop situation, the combined 9-11 ADM will be used from all schools involved to establish the ADM for the coop team. Note: It may be possible that a coop arrangement with multiple Class B schools will produce an ADM higher than 450, and therefore designate the coop team as a Class A team.
(Approved: 12/7/03)
- Existing coops shall have precedence over creation of new teams involving one or all of the existing schools in a coop.

Non-school/league team participation during SDHSBA League Play

A student who is a member of a SDHSBA team may not compete in baseball during the “in-season” time period on an independent or non-high school team. (Exceptions have been made for American Legion, VFW or Babe Ruth participation.) For clarification, a competition shall be construed to be an event where scores are kept, umpires are utilized, or standings and statistics are recorded and/or publicized via recognized media outlets. However, an entire SDHSBA team may compete outside the league without being in violation of this rule. These competitions will not be used for standings or year-end statistics. The penalty for violation of this rule by any individual is loss of eligibility for the remainder of the current SDHSBA season.

Regions

To facilitate the administration of League Play in both Class A and Class B, regions have been created to:

- 1) address issues in regards to scheduling, protests, post-season tournament play;
- 2) enhance communication from the League Office to teams throughout the state;
- 3) provide contact people to assist coaches in rectifying any issues.

Regions will be based on geographical location, school size, and number of teams in a given geographical area. Due to changing league membership from year to year, regional assignments will be reviewed each year. Regional assignments will always attempt to provide equitable team numbers in each region as well as accommodate geographic location, travel distance among teams, based on the number of teams participating.

Regional Directors

Regional Directors will be assigned for each region in Class A and Class B. The Regional Directors main responsibilities will be as follows:

- addressing issues in regard to rules, scheduling, protests, and post-season play;
- enhancing communication from the South Dakota High School Baseball Association to participating teams throughout the state;
- providing contact people to assist coaches in rectifying any issues.

Additional responsibilities of the Regional Directors shall include:

- 1) Conduct scheduling meetings for teams within his/her respective region;
- 2) Serve as a liaison for the League Office in regards to disseminating information to his/her regional coaches;
- 3) Assist in gathering nominations for Academic All-State and Athletic All-State teams from his/her regional coaches;
- 4) Assist in post-season tournament play development/scheduling for respective teams in region;
- 5) Serve as League Office Liaison in all protests involving teams from region;
- 6) Communicate and expedite region & team statistics to League Office from region coaches.

Coaching Code of Ethics South Dakota High School Baseball League

Baseball as a game has been played across playgrounds, high schools, on the amateur and professional level for over 140 years. Only the highest standard of sportsmanship and conduct is expected of players, coaches, and others associated with the game.

1. It is the coach's duty to be in control of their players at all times in order to prevent any un-sportsmanlike act towards opponents, officials, or spectators.
2. Coaches are expected to comply wholeheartedly with the intent and spirit of the rules. The deliberate instruction of players to violate the rules is indefensible.
3. Coaches should teach their players to respect the dignity of the game, officials, opponents, and the team they represent.
4. Coaches should confine their discussion with game officials to the interpretations of the rules and not challenge umpire decisions involving judgment.
5. "Bench jockeying" will not be allowed by players or coaches.
6. Coaches must refrain from any personal action that might arouse players or spectators to engage in un-sportsmanlike conduct.
7. Coaches should expect from the umpires a courteous and dignified attitude toward players and themselves.
8. Coaches should seek help from Association officials, Regional Directors, and/or Site Directors in controlling unruly players, spectators, or coaches.

Seven Legal Duties of a Coach

1. Adequate supervision.
2. Sound planning that emphasizes appropriate and safe skill development for participants.
3. Communicate inherent risks to participants.
4. Provide safe field conditions and equipment to participants.
5. Evaluate and accommodate participants that display injury, physical and mental disabilities.
6. Match and equate participants by size, age, and physical ability.
7. Establish procedures for an emergency.

Rosters

Rosters for all participating teams must be submitted by March 26, 2011 to the League Office. Coaches are to utilize the official South Dakota High School Baseball Association Roster Form.

Officials

A minimum of two (2) certified umpires are required for scheduled games in the South Dakota High School Baseball League. Certification can be from any adjacent state. Any game that does not have certified umpires listed at www.sdumpires.org is subject to protest by the visiting team. Umpires for Division and Regional playoff games and State Tournament games shall have completed the current year SD Umpire Association clinic and will be assigned and paid for by the state association. In all State Tournament contests, three certified umpires are required. Mileage for one umpire in the Division and Region playoffs will be paid by the host team. The host team for the State Tournament will pay mileage for all three umpires.

Coaches/club directors are required to submit their umpire pool list to the South Dakota High School Baseball Association by March 15, 2011.

Rule & Contest Administration

The Official Rules of the South Dakota High School Baseball League will be as established by the National Federation of High Schools. Rules written in this manual take precedence over NFHS if different. Teams will receive one copy of the NFHS Rule Book. It is the responsibility of all league coaches to know the rules and abide by them. The League Office will also provide all teams additional information to adequately communicate rule applications to their respective umpires. The only "speed-up rules" adopted by the state association are those rules pertaining to COURTESY RUNNERS. No other speed-up rules are enforced.

All coaches and other personnel in the dugout shall be in full baseball uniform during the game.

The South Dakota High School Baseball League has adopted the following rules regulating fighting, physical abuse of umpires, bench jockeying, and pitcher's intentionally throwing at hitters that have been established by the NCAA. It is noted, that the league administration reserves the right to modify a rule in order to better facilitate fair play and competition among all member schools.

Fight Rule/Ejection Policy

There is no place in South Dakota High School Baseball for poor sportsmanship, physical abuse of officials and/or fighting among opponents. The following rules penalize offending team representatives for inappropriate behavior, physical abuse and/or fighting. Coaches must understand they are responsible for the actions of their players. The penalties for rule infractions must be enforced for all regular/post-season competition. When applying this rule, penalties shall carry over from year to year and from regular season competition to post-season competition.

Definitions:

a. **Fighting** – Any physical abuse of an opposing player, including attempting to strike with the arms, hands, leg, feet, or equipment in a combative manner or intentionally spitting at an opponent.

b. **Physical Abuse Of Umpires** – Any threat of physical intimidation or harm to include pushing, shoving, bumping, kicking, intentionally spitting, throwing or attempting to make physical contact.

Exception: For a violent attack (punching or kicking) of an umpire the offending coach shall be suspended for the team's next five contests even if it is the individual's first offense.

c. **Inappropriate Behavior** – Any unsportsmanlike behavior that contradicts the concept of fair play and the integrity of the game.

d. **Team Personnel Leaving Position** – Team personnel leaving their position to participate in a physical confrontation shall include players, coaches, trainers, and managers. The position of various team members is determined by where the individual is located at the time a confrontational situation develops.

Penalty – All team personnel including coaches who leave their positions to participate in a fight shall be ejected and suspended for the team's next three contests.

Exceptions: 1) A player involved in a fight while remaining at his position and judged to have been acting in self-defense and not contributing to the fight shall not be ejected or suspended.

2) If a player or coach makes physical contact with another player in an obvious attempt to prevent a fight or confrontation, that individual shall not be ejected or suspended.

3) If a confrontation or fight develops, the head coach and assistant coaches are expected to leave their positions to bring players under control. Coaches should not involve themselves in physically restraining personnel from an opposing team.

e. **Pitcher intentionally throwing at a Batter** – If a pitcher is ejected for intentionally throwing at a batter, he shall serve a one game suspension.

f. **Batter or Runner initiates a fight by charging or pursuing the pitcher** shall receive a 3 game suspension.

g. **Bench Jockeying** - Game personnel shall not use language that will in any manner refer

to or reflect negatively upon opposing players, coaches, umpires, or spectators.

Penalty: The umpire shall warn the offending individual(s) and the coach one time. If the verbal abuse continues after the warning, the offender(s) shall be ejected. If the verbal abuse continues after the first ejection, the head coach shall be ejected along with any other offending personnel.

Penalties For Ejections (Unless otherwise noted)

- 1) 1st Offense – Ejection & suspension from team's next contest.
- 2) 2nd Offense – Ejection & suspension from team's next three contests.
- 3) 3rd Offense – Ejection & suspension for remainder of season/postseason.

Reporting Process For Ejections

It is the responsibility of the Head Coach and Umpire Crew Chief to notify the appropriate Regional Director of all personnel ejections. Coaches are expected to self-enforce their team members by the aforementioned policy. Failure to enforce the ejection policy will result in forfeiture of the game(s) ineligible players participate in.

Pitching Limitation Rule

1. A pitcher may not pitch more than a total of 106 pitches in any one day or 212 pitches in any seven day period. No new inning may begin after 89 pitches.
2. Each outing shall be followed by required rest based on the following number of pitches. The REST period begins the day after the outing.
 - a) 27 to 44 pitches requires one day of rest
 - b) 45-61 pitches requires two days of rest
 - c) 62-88 pitches requires three days of rest
 - d) 89 or more pitches requires four days of rest
3. If a pitcher pitches 26 or fewer pitches in one day, he may pitch the next day an amount not to exceed 44 total in the two consecutive days. He must then take one day of rest.
4. Pitchers pitching 27 or more pitches in game one of double header may not pitch in game two. (double header means two games in same day)

The penalty for violation of the pitching limitation rule will be forfeiture of the contest. During the course of a game when the pitching limit is reached the pitcher shall be removed rather than the game forfeited.

Coaches, it is your responsibility for making certain that your pitchers are complying with the pitching limitation rule. Both dugouts (teams) will agree on the official number of pitches at the end of each half inning, before the next half inning begins. In the event of discrepancies, the home team will be responsible for the final decision. The Pitching Limitation Rule must be posted in each dugout.

Game Scheduling/Cancellation

Coaches are responsible for constructing workable schedules that provide an appropriate number of contests for their participants. It is important that coaches confirm all scheduling dates with their opponents a minimum of one week prior to each scheduled contest(s).

Cancellations of scheduled games will only be permitted due to weather related problems. Cancellation of games due to coach, school, or other athletic activities will result in forfeiture of scheduled contest(s). If the game time temperature is less than 42 degree actual temperature, either coach may refuse to play and the game will be scheduled for a different date not subject to forfeiture. Once the game begins, the temperature will not stop the game.

Game Reports & Statistics

Coaches are encouraged to alert local media outlets of upcoming games, results, etc throughout the season. It is important that coaches keep current statistics of team members in preparation for possible post-season recognition. Game results must be communicated to the League Office no less than one day after the completion of a contest(s). Scores can be faxed or telephoned to 605-842-3418, or e-mailed to the League Office in Winner. Standings will be posted on the website at: www.sdhighschoolbaseball.org

May 25, 2011	- Class A Wild Card Game Final Date to Play
May 30, 2011	- Class A and Class B State Tournaments (TBA)

(Maximum limit of 25 Regular Scheduled Games) Each Class B team shall play all teams in their Division twice and each team in the opposite Division in their Region once. A minimum of 10 games shall be required for seeding purposes. Games scheduled after the scheduling deadline will be considered exhibition games only and all results and statistics will not be recognized by the League unless they are makeup games previously scheduled. Regularly scheduled games must be completed prior to the beginning of the Class A & B Regional Tournaments. Each Class A team shall play all teams in their Region twice.

Regional Tournament Information

Class B Regional and Division Tournaments

Up to four teams are eligible to participate in the Division Tournament. The Tournament shall be a single elimination tournament with the Division Champs advancing to the Regional Tournament with the Champions advancing to the State Tournament at a site TBA. The State Tournaments will be held on May 30, 2010. The South Dakota High School Baseball Association reserves the right to alter Division, Regional and State Championship games in the event of unforeseen conflicts.

Regional Tournament Game Site Assignment Process

Seeding of teams for the Division and Regional Tournament will be based on games played against Division or Regional opponents. Upon designation of the seed position of each team, the Board of Directors with the Regional Directors will assign the tournament brackets to respective teams. Home field advantage throughout the tournament will be assigned to the higher seeded team.

Seeding Criteria

- Overall record against Division or Regional opponents. The top seeded team is required to have played each of its division opponents twice and opposite division once for seeding position. This prevents a team from playing a minimal division schedule and by virtue of their record, secure the top seed position.
- If tied, Head to Head competition. (Won or Loss only, not margin of victory)
- If still tied, overall winning percentage against same class South Dakota League teams.
- If still tied, selection by the Association in conjunction with the respective Regional Director via coin flip for higher seed.

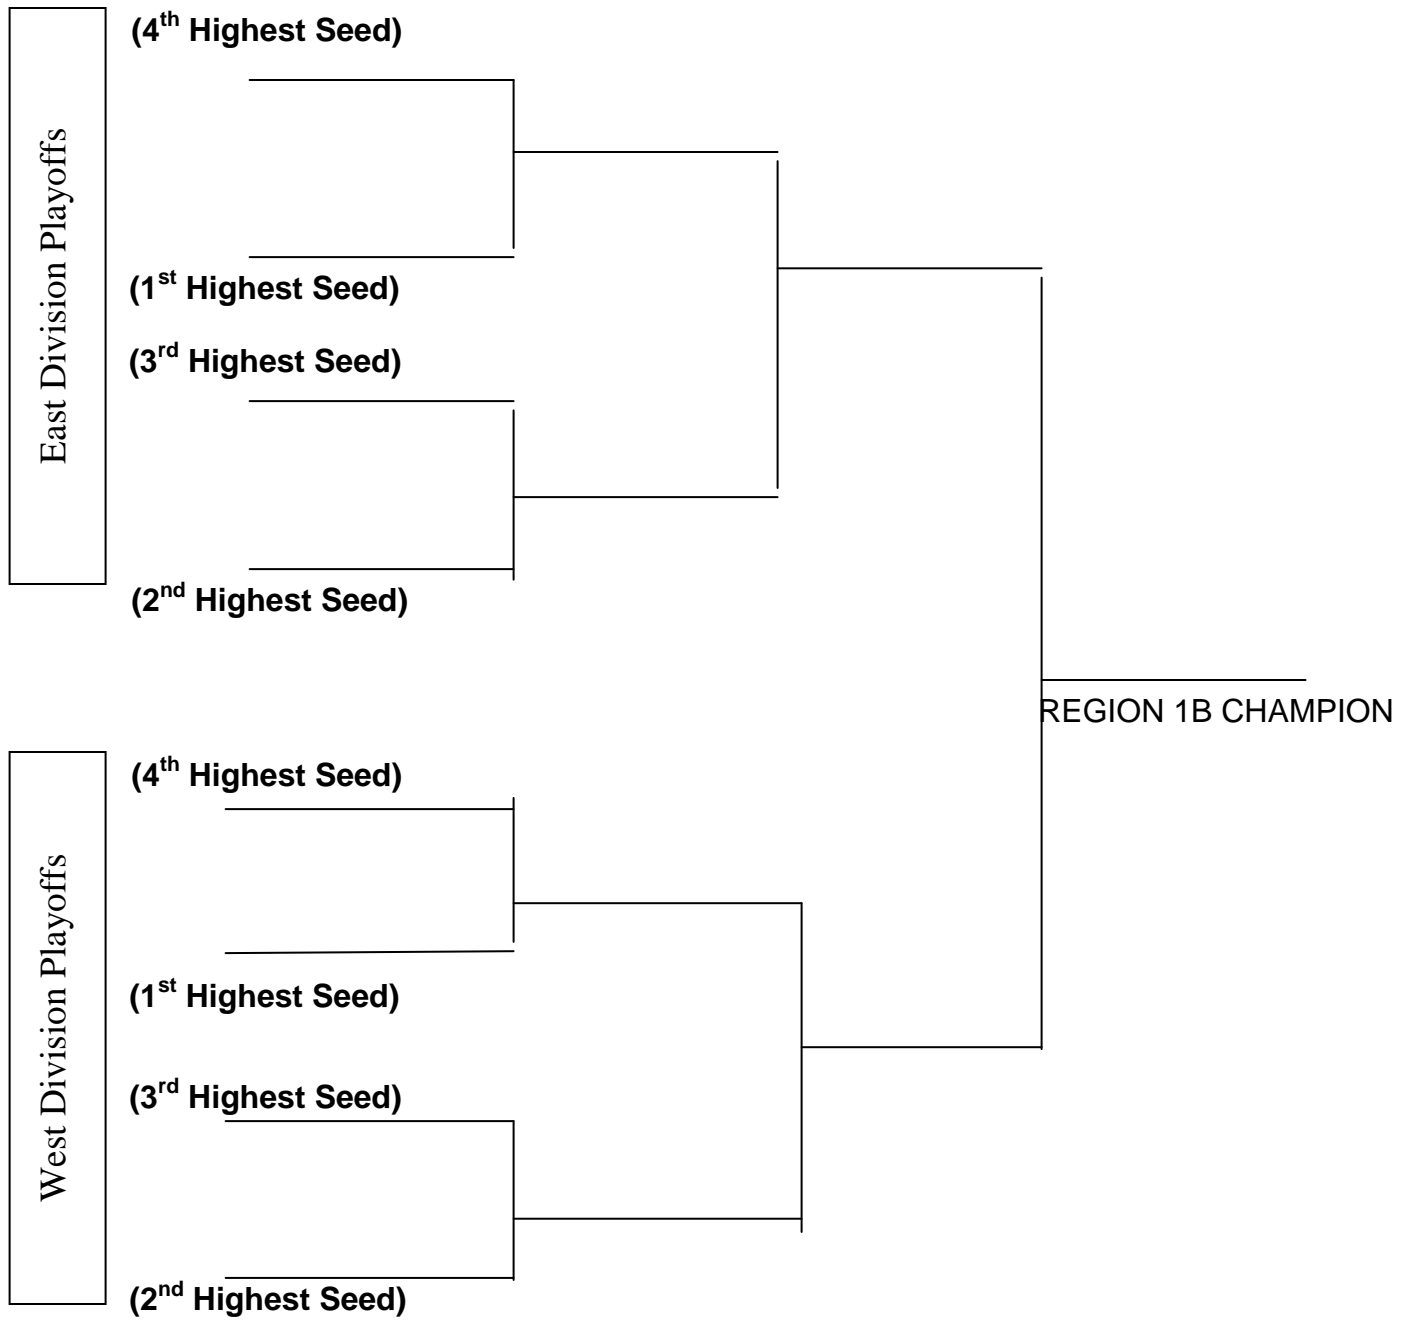

Class A Wild Card Team Selection Process

Criteria That Will Used

1. **The two Class A Teams with the highest number of wins against Class A SD Competition who are not regional champions.** (12 game minimum required to be considered for wild card team. Maximum 4 games versus same opponent.)
2. If Teams Are Tied, Head To Head Competition. (Won or Loss, not margin of victory)
3. If Teams Are Still Tied, Team who has played the most SD Class A Games.
4. If still tied, selection by the Association in conjunction with the respective Regional Director via coin flip.

Winner of Wild Card Game advances to State Tournament and plays the Number One Class A Seeded Team unless the wild card team comes from the same region as the number one seed. Then the Wild Card team will play the number two seeded team.

SOUTH DAKOTA HIGH SCHOOL CLUB BASEBALL
CRITERIA FOR HARDSHIP
COOPERATIVE SPONSORSHIP OF BASEBALL WITH NEIGHBORING STATE

1. No Class A school shall have the availability to have a cooperative agreement with a town or school outside the state. Co-ops must combine enrollments of school in newly formed co-op. If enrollment exceeds 450 students co-op will be voided, due to "No A school factor" in co-op agreements with a neighboring state. (O'Gorman has the lowest Class A level at 453)
2. The Board of Directors prefer to see projects that combine small schools for sponsorship of an activity when a smaller school cannot maintain or support the activity alone.
3. Improving the quality of a team (i.e. better win-loss record) will not be valid criterion in deciding whether approval should be granted.
4. South Dakota schools/programs looking to co-op with an outside entity from another state must have a current team level of 11 or fewer players.
5. Players, schools, towns, or programs outside the state of South Dakota looking to play or co-op with a program from the state of South Dakota may not do so if they have an existing high school baseball program.
6. Co-op players that **come from outside the state of South Dakota may not exceed 4 in number per program.**

I have read and understand all of the preceding stipulations regarding criteria for a cooperative agreement with a neighboring state to form a baseball team. I also understand that any false information given on Form #1, **HARDSHIP APPLICATION FOR COOPERATIVE SPONSORSHIP OF BASEBALL** could cause my program to lose eligibility in participating in South Dakota High School Baseball.

UMPIRE EVALUATION INSTRUCTIONS

Umpires are to be rated in four categories—plate work, base work, people/situation management, and effort/enthusiasm. The evaluation form requires a grade of 1-5 (with 5 being the highest) in each of the four categories.

Adding comments is always encouraged. A grade of 2 should be accompanied by an explanation and a grade of 1 must be accompanied by an explanation. There is also room to note any concern about rules knowledge or interpretation.

The final section requires answering three simple questions about recommendations for future assignments within the league and for post-season play.

Below are a few helpful hints:

*Make sure your scores are based only on the umpire's performance during the game or games you are evaluating. Try not to let past history (good or bad) influence your grades. We want the evaluation to reflect what that umpire did in that game. Just because an umpire has been around a long time does not automatically justify high grades; likewise, just because you may not know a new/young umpire does not mean you should grade them lower and that they can only earn good grades after years of service. Base your grades solely on what you see during that game.

*Comments are always helpful and are encouraged. If there are specific on-field issues that you feel need to be addressed with an individual umpire or if you are aware of inappropriate off-field behavior, it should be noted.

*Please submit your evaluations by fax, mail, or email within three days of the completion of a game. Coaches—please complete a post-game cool-down period before completing evaluations.

Some things to think about when determining grades (1-5) in each of the four categories. Every umpire starts out as a 3 in each category. Their performance determines upgrades or downgrades from that start point. The bolded areas are primary.

*Plate Work—**interpretation and consistency of strike zone**, style and timing, positioning and individual mechanics, rotations and crew mechanics.

*Base Work—**judgment**, style and timing, positioning and individual mechanics, reaction to plays, rotations and crew mechanics.

*People/Situation Management—**communication skills with players and coaches**, inappropriate fraternization, handling of unusual situations, handling pressure.

*Effort/Enthusiasm—**focus, intensity, hustle**, mobility, appearance.
